Nvolve Finalist in Innovate! 2010 Global Competition

Irish company Nvolve Limited have received confirmation that they have been selected as a finalist in the Innovate! 2010 global competition. This event is organised by the Guidewire Group who are a global market intelligence and advisory firm passionate about technology entrepreneurship and aims to select 100 of the world's most promising companies.

Guidewire have teamed with leading partners and sponsors including Microsoft BizSpark, Cisco, HP, IBM, Motorola, Paypal, SAP, Verizon and Bing to host a global competition to identify and accelerate the world's 100 top technology, media and telecommunications startups and Nvolve Limited are delighted to be chosen as a finalist. Speaking with Barry Harper, CEO of Nvolve, "he is eager to proceed to the next level and is honoured to be part of such a global competition that selects the world's most promising companies with the potential of sharing in a sponsorship prize of \$1 million".

Innovate!2010 is a unique program that enables technology and telecommunications vendors, government agencies, professional services providers and technology scouts to engage thousands of start-up professionals around the world, engage hundreds of highly vetted, fast-growing startups face-to-face, and raise their brand profile in the global start-up community.

Nvolve are a leading supplier of bespoke software services specific to their client's requirements. Nvolve use 'Agile' Software Development methodology in conjunction with state of the art development technology to ensure that we provide our customers with top class solutions. Nvolve have also developed and brought to market a range of products that help their clients reduce costs and improve performance within their organisations. These products includes GroupLearner™, PeopleManagerPro™, TeamWorkerPro™ and AudienceResponder™.

Nvolve Limited provides technology application's to help companies work more efficiently and effectively at a reduced rate while all the time improving performance of the workforce. Barry Harper, CEO, of Nvolve says that "if we can save the client money then we have done our job properly".

More than 1,000 organisations from around the world have already taken advantage of Nvolve's unique solutions in order to help them increase productivity, reduce costs and improve profitability.
